### Company profile:

The SWISS FITTINGS AG was established in 2012 by European and Asian investors, operating as an independent international trading company. The company operates from Herisau, located in the canton of Appenzell, Switzerland.

The founders and staff members possess decades of experience in the purchasing and distribution of pipes, pipe accessories, and fittings. This acquired experience is the foundation of a professional online-shop, providing clear enhancement for the users.

SWISS FITTINGS AG imports fittings, flanges, and pipes from Asia and warehouses these in Germany, Italy and Switzerland.
